

TRISC Golf Tournament – Benefiting the Habitat for Humanity
 Planned by Tharook Foundation

Dear sponsor,

We would like to invite you to our weekly golf league sponsored by Tharook Foundation of North Texas. We are a non-profit organization that plans events for charitable contributions to the communities.

The first event that we are managing offers your organization a chance to meet with IT professionals from companies like Fujitsu America, Heartland Payment Systems, Vertex North America and Alliance Data.

This event is a weekly 9 hole mini-tournament that plays between 4:30/5:30pm to dark, it is very fast past with 30min. to 1hr. prior to start to meet with some of the teams and 30min. to 1hr. to close out the day. This event like the others is open to players outside of the group to join us weekly to play in the league (\$20 signup fee and weekly cost of \$22.85 for cart/green fee). Vendor sponsorship of \$250 and/or goody bags with business cards and flyers are welcomed. There are to 2 occasions for a larger participation, midyear break and the end of the season. At those times we welcome vendor sponsorship \$350 to cover partial fees of the league leading teams as we play through the championship rounds for points.

The second and third events are major tournaments benefiting the Habitat for Humanity in recognition of TRISC (Texas Regional Infrastructure Security Conference) www.trisc.org . We are planning an 18-hole scramble with participants from Texas, Oklahoma, Louisiana and New Mexico. These events have sponsorship opportunities from hole signage, goody bags, food and beverages, 1st, 2nd and 3rd Place to hole in one. Please see the levels of sponsorship available below and make sure you sign up your favorite golfer to participate in these 2 glorious events.

*Funds donated to the Habitat for Humanity.
 Please help us join in the fight!*
